NEW PRODUCTS

Please print a copy and insert in your 2018-19 school catalogue for future reference.

NEW ALUMINIUM PAINTING PANELS

This modern painting surface is made from two sheets of aluminium with a polyurethane core, making the panel both light and very strong. 3mm thick and with a perfectly flat surface. One side is coated while the other side is uncoated. The uncoated side is ideal for painting on directly or being primed. Can be cut to size with a sharp utility knife and cutting mat.

305 x 305mm	\$15.29	\$13.90
